NEW FDA FOOD CODE PUBLISHED ON THE WEB AND IN HARD COPY!

The new 2005 Food Code was posted on the FDA website Friday, September 23, 2005. A hard copy will be following 8—10 weeks after printing.

Significant Changes for 2005 include new and revised definitions of terms, information about major food allergens, and amended date-marking practices for consistency with recommendations in the Listeria Monocytogenes Risk Assessment. As a new addition for this year, the FDA is providing Questions and Answers accompanying the Code.

The 2005 Food Code can be accessed at www.cfsan.fda.gov/~dms/foodcode.html

Remember, the holding temperature for cooked food can be held at 130 on the steamtable. However, that may be too low a temperature for our patients and residents.

Officers for 200-06

The Officers for the coming year were installed at the banquet held at the fall meeting in Macon, Georgia. Also, it is at that time we recognize the “Administrator of the Year” and other volunteers.

The Spring Conference will be held in April at Jekyll Island.

The spring meeting will be held April 19th thru 21st, 2006 at the Holiday Inn on Jekyll Island.

Ph. Number: 912-635-3311

Make your plans now to attend. This Conference is always a very important one to obtain our needed clock hours before the clock hour deadline in May. We will have the education workshop plus vote for the new officers for the coming year.

We will have the Secret Auction at the meeting. Make sure you bring something to be auctioned. The proceeds from the auctions are used to send a deserving member to the DMA National Conference in the summer. The drawing for the member to attend will be held at the business meeting on Friday the last day of the Conference.

The business meeting is one of the most important events of the Confer-

President's Goals for 2005-06

As President I want to move the DMA Georgia Chapter into a new era.

1. Crisis Relief Fund

We have set-up a relief fund to help aid our members as well as a Natural Disaster Fund. This will help victims of our association in need. A slot on the registration form will be added for members to contribute to the fund.

2. Increase communication among Districts.

Each District President will receive phone calls or e-mails on a quarterly basis.

3. Mentor Program and Moderator.

Members will be asked to take part in mentoring new members and first timers. Taking them under their wings, the newcomers will be asked to participate in our Fall and Spring Meetings.

4. Get a CPA to audit our bank books once every 2 years.

This report will be sent to National and placed in the State Achievement Award Book.

Thanks for all your support and help.

Sincerely,
Geraldine Chandler, President
Georgia DMA
